## Fiscally Fit

SHARE +

The Foundation of AFVA is proud to provide our members with resource packets to support the Girl Scout financial literacy curriculum. The curriculum, designed by Girl Scouts of the USA, fills a gap in financial understanding for girls. The Foundation of AFVA aims to support women and girls, with this program being a perfect fit with The Foundation's mission.

Using the Fiscally Fit materials, AFVA members, individually or with their Chapters, are encouraged to work with local Girl Scout troops to educate and share their passion for the industry we all love.

The Foundation's Educational Advancement committee has selected a badge for each of the six Girl Scout levels. Using the Girl Scouts' curriculum we have prepared a guide for AFVA members to lead or support the achievement of each of these badges.
