CONNECT • ADVANCE • LEAD

AFWA IS BACK IN NEW YORK!

As women, we can learn from and be inspired by each other. And a network of women in similar positions to your own is a powerful thing. With 1,500 members, Accounting & Financial Women's Alliance connects women in accounting and finance nationwide.

We are re-launching AFWA's New York Chapter - and we want you to be a part of it!

Join us for a kick-off event this September featuring networking, CPE, and an introduction to AFWA.
