

Show your support for the Foundation of AFWA!

AFWA Foundation FUN Night

Join the Foundation of AFWA for a night of FUN and laughter! We've invited comedian and motivational speaker, Amanda Hebert, to bring some cheer to our Women Who Count Conference! As a native Houstonian, Pastor's Wife, and Mother of three Amanda has a great perspective on love, life, and the pursuit of Joy. You will laugh till you pee a little as she makes fun of her life and yours. She has performed at Corporate Events, Volunteer Appreciations, Women's Conferences and Retreats, Marriage Retreats, Holiday Events, and has headlined shows.

Besides side-splitting comedy, she can sing and encourage others through motivational speaking. Her style is clean humor focusing on the absurdity of everyday life. She is upbeat and inspires her audience to take time to laugh and find joy in the journey.

Thursday, October 29 at 7:30pm EST during the Women Who Count Conference!

Registration is FREE with a donation to the Foundation of AFWA.

AFWA Foundation Silent Auction

The Foundation is all about us, accounting and financial professionals. We strive every day to make a difference in the financial world and in our communities. The Foundation is charged with raising funds for national scholarships, and educational advancement of our peers and rising leaders. The Foundation offers each of us the opportunity to support the future direction of the profession where we have gained our own personal successes. It is important to support those entering the profession and working alongside us. Those that follow in our footsteps have much to teach us and much to learn from us. They embody the next generation of accounting and financial professionals. Our goal for you and AFWA is to lead the way in their development.

The Foundation of AFWA has given more than \$34,000 in scholarship awards annually to current and future accounting and finance leaders. Through stewardship, The Foundation promotes and advances women in accounting and finance by cultivating relationships, securing contributions, and providing scholarships for education and career development.

The auction will take place during the virtual Women Who Count Conference beginning Oct. 28 at 12:00 a.m. EST and ending on Oct. 30 at 2:45 p.m. EST. To participate, visit
